

Aaron Shain Heller

CURRICULUM VITAE

Assistant Professor

Department of Psychology
University of Miami
P.O. Box 248185
Coral Gables, FL 33124-0751

Ph: (305) 284-9498
Fx: (305) 284-3402
Email: aheller@miami.edu

Academic Appointments

2015-present	Assistant Professor Department of Psychology Department of Psychiatry Department of Neuroscience Sylvester Comprehensive Cancer Center (Member) University of Miami
--------------	--

Education & Training

2013-2015	Postdoctoral Associate of Psychology in Psychiatry at Weill Cornell Medical College
2012-2013	Predoctoral psychology intern at Weill-Cornell Medical College / New York Presbyterian Hospital
2006-2013	PhD, Clinical Psychology University of Wisconsin – Madison
2004-2006	Lab Manager & Research Assistant Center for Neuroscience, Department of Psychology University of California, Davis
2003-2004	Travelled in South America
1999-2003	Bachelor of Arts University of California, Berkeley

Awarded Research Grants

2018-2020	Society of Behavior Change R01 Supplement (NCI) <i>Culturally Adapted Cognitive Behavioral Stress and Self-Management (C-CBSM) Intervention for PC</i> Role: Co-Investigator Amount awarded: \$806,399
2018-2023	National Institute on Aging <i>Novel Cognitive and Functional Measures for Alzheimer's Disease Prevention Trials</i> Role: Co-Investigator

Amount awarded: \$1,442,325

- 2018-2020 John Templeton Foundation
Pathways To Character Grant
Characterizing Character Growth Following Breast Cancer Diagnosis Using Mobile Health
Role: Principal Investigator
Amount awarded: \$225,000
- 2017-2018 Society for a Science of Clinical Psychology
Varda Shoham Clinical Science Training Initiative
Modernizing a training clinic to enhance patient monitoring
Role: Principal Investigator
Amount awarded: (\$1,500)

Honors and Awards

- 2017 Faces of the Future Presentation
Society for Research in Psychopathology
- 2016 Career Development Leadership Program
Anxiety and Depression Association of America
- 2015 Rising Star Award
Association for Psychological Science
- 2015 Hot Topics Presentation
American College of Neuropsychopharmacology
- 2014 Travel Fellowship
Wisconsin Symposium of Emotion
- 2013 Clinical Psychology Intern Research Award
Weill-Cornell Medical College
- 2011 Ramona O. Messerschmidt Clinical Psychology Award
University of Wisconsin – Madison
- 2010-2012 Hertz and Royalty Research Travel Award
University of Wisconsin – Madison
- 2008 Scholarship and Travel Award
Beck Institute for Cognitive Therapy and Research
- 2006-2008 NIMH Emotion Research Training Grant recipient

The temporal dynamics of emotional responding: Implications for well-being and health from the MIDUS Neuroscience Project. In: Ryff, C.D., Krueger, R.F. (Eds.), *Oxford Handbook of Integrative Health Science*. New York: Oxford University Press.

Memberships in Professional Societies

Association for Psychological Science
 Cognitive Neuroscience Society
 Social & Affective Neuroscience
 Society for Research in Psychopathology
 Society for Neuroscience

Service to the Field

2018-2019	Co-Organizer; <i>Annual Social & Affective Neuroscience Conference</i>
2017-2018	Co-Organizer; <i>Clinical Neuroscience Preconference to Annual Social & Affective Neuroscience Conference</i>
2017	Program Committee; <i>Society for Research in Psychopathology</i>
2015	Program Committee; <i>Social & Affective Neuroscience</i>
2014	Program Committee; <i>Social & Affective Neuroscience</i>

Institutional Service

2017-2018	Clinical Faculty Search Committee
2015-Present	Co-Chair, Technical Committee: Neuroimaging Suite
2017	Antonio Orlando Award Review Committee
2016-2017	Psychological Services Center Subcommittee
2016-2017	Clinical Faculty Search Committee
2015-2016	Clinical Faculty Search Committee
2015-2016	Member, Communications and Development Committee: Neuroimaging Suite
2015-2016	Co-Chair, Education and Training Committee: Neuroimaging Suite
2011-2012	UW-Madison Recreational Sports Governance Board

Reviewing

2017-Present Consulting Editor, *Emotion*
 2018-Present Consulting Editor, *Social Cognitive and Affective Neuroscience*

Instruction

Course Head

Spring 2019 Psy604 *Cognition and Emotion*
 Spring 2018 Psy604 *Cognition and Emotion*

 Fall 2016 Psy260 *Introduction to Personality Psychology*
 Spring 2016 Psy604 *Cognition and Emotion*
 Spring 2016 Psy670 *Practicum in Clinical Psychology*
 Fall 2015 Psy670 *Practicum in Clinical Psychology*

Co-Instruction

Spring 2010 Psy710 *Multiple Regression & Linear Models*

Academic & Conference Talks

2019 Nanosymposium Presentation
 Society for Neuroscience Meeting
 Chicago, IL

2019 Pathways to Character Workshop
*Characterizing Character Growth Following Breast Cancer Diagnosis Using
 Mobile Health & Lab Assessments*
 Wake Forest University & John Templeton Foundation

2019 Presentation at the MidLife in the United States (MIDUS) meeting.
*Persistence of Amygdala Activity Following Negative Stimuli Predicts Day-to-
 Day Affective Experience*
 Madison, WI

2019 Symposium Organizer & Co-Chair, International Conference on
 Psychological Science: *The Importance of Affective Dynamics in Emotional,
 Social, and Behavioral Regulation*
 Paris, FR

2019 Symposium Presentation, International Conference on Psychological
 Science Meeting
*Instability of negative emotion specifically predicts risk for
 psychopathology*

Paris, FR

- 2019 Clinical Psychology Seminar
McGill University
- 2018 Clinical Psychology Seminar
Northwestern University
- 2018 Symposium Organizer & Co-Chair, Association for Behavioral and Cognitive Therapies Meeting: *Models and Methods for Capturing Affective Processes in Psychopathology*
Washington DC
- 2018 Symposium Presentation, Association for Behavioral and Cognitive Therapies Meeting
Utilizing Bi-Factor Models to Identify the Emotional Dynamics Promoting Common and Unique Risk For Mood and Anxiety Disorders
Washington DC
- 2018 Association for Psychological Science Rising Star Clinical Science Forum
Affective and Neural Dynamics, and Psychopathology Across the Lifespan
San Francisco, CA

- 2013 Department of Psychology Colloquium
University of Texas-Austin
- 2010 Nanosymposium Presentation
Society for Neuroscience Annual Meeting

Refereed Paper Presentations

2019

- Arditte Hall KA, Brown CA, Puccetti N, Heller AS, Timpano KR (2019, October). Poorer Set Shifting Ability Prospectively Predicts Trauma-Related Rumination among Individuals Exposed to Hurricane Irma. Poster presented at the Annual Association for Behavioral and Cognitive Therapies Conference Meeting, Washington DC.
- Jaso BA, Villano W, Ezie CEC, Heller AS (2019, October). Utilizing empirically derived emotion groups to better understand symptoms of psychopathology. Poster presented at the Annual Association for Behavioral and Cognitive Therapies Conference Meeting, Washington DC.
- Stamatis CA, Puccetti NA, Heller AS, Timpano KR (2019, October). Decision-making in hoarding and OCD symptoms: A behavioral economic perspective. Poster presented at the Annual Association for Behavioral and Cognitive Therapies Conference Meeting, Washington DC.
- Baez L & Heller AS (2019, September). Adolescent Age At Onset of Depression: A Unique Psychological Symptom Network. Poster presented at the Annual Meeting of the Society for Research in Psychopathology, Buffalo, NY.
- Puccetti NA, Schaefer SM, van Reekum CM, Ryff CD, Davidson RJ, Heller AS (2019, September). Persistence of amygdala activity following negative stimuli predicts day-to-day affective experience. Annual Meeting of the Society for Research in Psychopathology, Buffalo, NY.
- Nomi JS, Bolt T, Heller AS, Uddin LQ (2019, July). Test-Retest Reliability of Resting-State BOLD Signal Variability Measures. Poster presented at the Organization for Human Brain Mapping, Rome, IT.
- Puccetti NA, Brown CA, Timpano KR, Heller AS (2019, May). Patterns of day-to-day affect

differentially mediate the effect of repetitive negative thinking on depression and anxiety symptoms. Poster presented at the Social Affective Neuroscience Society meeting, Miami Beach, FL.

Baez L, Puccetti N, Villano W, Ezie CEC, Brown CA, Timpano KR, Heller AS (2019, May). How is repetitive negative thinking associated with daily affective dynamics? Poster presented at the Social Affective Neuroscience Society meeting, Miami Beach, FL.

Puccetti NA, Schaefer SM, van Reekum CM, Ryff CD, Davidson RJ, Heller AS (2019, March). Persistent amygdala activity following negative stimuli predicts day-to-day affective experience. Poster presented at the 2019 Wisconsin Symposium on Emotion.

Baez L & Heller AS (2019, March). Adolescent Age At Onset of Depression: A Unique Psychological Symptom Network. Poster presented at the 2019 Wisconsin Symposium on Emotion.

2018

Westwright JS, Szeto A, Heller AS, McCabe PM, Mendez AJ (2018, November). Regulation of pancreatic islet oxytocin by autonomic nervous system agonists. Poster presented at the Annual Society for Neuroscience Meeting, San Diego, CA.

Baez L, Kamisetty S, Villano WJ, Newport J, Heller AS (2018, November). Using Mobile Health to Assay Change in Real World Affect in Women with Peripartum Depression. Poster presented at the Annual Association for Behavioral and Cognitive Therapies Conference Meeting, Washington DC.

Brown CA, Puccetti NA, Heller AS, Timpano, KR (2018, November). The impact of repetitive negative thinking on risk and loss aversion in response to stress. Poster presented at the Annual Association for Behavioral and Cognitive Therapies Conference Meeting, Washington DC.

Hudiburgh SE, Jaso BA, Heller AS, Timpano KR (2018, November). If You're Stressed, Don't Suppress: Understanding the Relationship between Affect Intolerance, Maladaptive Emotion Regulation, and Psychological Symptoms. Poster presented at the Annual Association for Behavioral and Cognitive Therapies Conference Meeting, Washington DC.

Nomi JS, Bolt T, Heller AS, Uddin LQ (2018, September). Test-Retest Reliability of Resting-State BOLD Signal Variability Measures, Poster presented at the Biennial Conference on Brain Connectivity, Montreal, CA

Puccetti NA, Brown CA, Timpano KR, Heller AS (2018, September). Repetitive negative thinking as a transdiagnostic mediator between symptom severity and decision-making under stress. Poster presented at the Annual Meeting of the Society for Research in Psychopathology, Indianapolis, IN.

Villano W, Ezie CE Chiemeka, Jaso B, Heller AS (2018, September). Risk for depression is associated with altered affective reactivity to prediction errors. Poster presented at the Annual Meeting of the Society for Research in Psychopathology, Indianapolis, IN.

Saragosa-Harris NM, Reneau TR, Villano WJ, Cohen AO, Heller AS, Hartley CA (2018, August). Affective sensitivity to real-world exploration is heightened in adolescence. Poster presented at the Annual Flux Congress, Berlin, GER

Saragosa-Harris NM, Cohen AO, Reneau TR, Villano WJ, Heller AS, Hartley CA (2018, May). Real-world exploration is associated with greater positive affect in adolescents and adults. Poster presented at the Annual Social Affective Neuroscience Society Meeting, Brooklyn, NY.

Villano W, Ezie CE Chiemeka, Gillis RC, Otto RA, Heller AS (2018, May). Emotional variability is associated with risk for depression. Poster presented at the Annual Social Affective Neuroscience Society Meeting, Brooklyn, NY.

2017

Villano W, Ezie CE Chiemeka, Jaso B, Heller AS (2017, September). Emotional Variability Is Associated With Risk For Depression. Poster presented at the Annual Meeting of the Society for Research in Psychopathology, Denver, CO

Jaso BA, Ezie CE Chiemeka, Timpano KR, Heller AS (2017, November) Using EMA to Delineate the Specific Affective Dynamics Associated With Maladaptive Cognitive Styles Poster presented at the Annual Meeting of the Association for Behavioral and Cognitive Therapies, San Diego, CA.

Yang J, Heller AS. (2017, Summer) Physiology and feeling: Emotional coherence and activation in the ventromedial prefrontal cortex. Presented at the University of Miami College of Arts and Sciences Summer Research Program for Underrepresented Minorities & Women

2016

Nomi JS, Bolt TS, Ezie C, Uddina LQ, Heller AS (2016, September). Moment-to-Moment BOLD Variability Reflects Functional Specialization Across the Lifespan. Poster presented at the Annual Flux Meeting, St. Louis, MO.
